“Every Calina 2005 wine we tried was rock-solid and deserving of Best Buy notoriety.”

Best Buy-87 points Calina 2005 Reserva Merlot

“If you don’t mind some sweetness on both the nose and palate, then you’ll be thrilled with this affordable Merlot that pulses with plum and berry flavors in front of a sculpted, perfectly clean finish. Nothing complicated, yet for clarity, fullness and energy it’s a high scorer.”

Best Buy-87 points Calina 2005 Reserva Chardonnay

“This one delivers ripe pear and melon aromas in front of apple and nectarine flavors. All in all it’s a full-bodied, plump chard with good enough balance and acidity that it seems entirely fresh.”

Best Buy-87 points Calina 2005 Reserva Carménère

“Granted, the nose deals a full blast of Carménère’s typical tomato, olive and peppery aromas, but the body is just right and the palate features some core fruit that’s dark, ripe and rippled with proper tannins and acidity. Anyone curious about Carménère will be well served here.”

Best Buy-86 points Calina 2005 Reserva Cabernet Sauvignon

“On the whole, Calina is a solid, textbook Chilean Cabernet, meaning it’s endowed with blackberry, plum, tobacco and cola aromas and flavors. The finish shows a little oak in the form of mocha, while the feel is pleasant.”
